

Sanktmartinsfest

Dear Parents,

This year our annual Saint Martin's celebration will be on Thursday, November 8th and Class 6th will, as usual, be presenting the play. After all the time and effort put into the production of 'Apfelsinen aus Irland', we will be doing the older, simpler play this year!

However, I'd like to ask for your help in providing a costume for your son or daughter (if necessary).

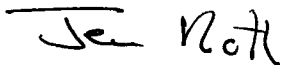

1. Young Sankt Martin and his friends - large white T-shirt /tunic and a belt
2. Martin's Mother – a sheet which we can turn into an elegant 'lady's toga' over a T shirt
3. Martin's father : large white T shirt-tunic and school will provide the rest
4. Soldiers: large white T- shirt and belt and school will provide the rest + a cycle helmet covered with tin foil – plume provided by school!
5. Angel – school has the costume
6. Beggars – rugs and blankets, woolly hats etc in which they can 'shiver and huddle' !
7. Readers – something presentable!!

This is a school activity so I would ask you to provide me with a note if you know your son or daughter really is unable to take part so they will not be given a part.

We look forward to seeing you on the 8th. I am sure the class parent reps. will be asking if some of you can make gingerbread men. Your last chance - no Sankt Martin in the secondary school!

Looking forward to seeing you on the 8th and thank you for your help and support.

Every good wish

Class teacher
